Mum Cuttings Now!

June 24, 1955

MR. GROWER:

Cuttings on this list, if ordered at once, will reach you the week of July 11. Mums direct benched July 14, black cloth shaded, will flower October 20 (single stem) or November 3 (pinched). Any of the 10 or 11 week varieties on this list can be grown on these schedules:

Single Stem
July 14 Plant direct 6 x 4 in.
Aug. 4 Start shade
Oct. 20 Flower

Pinched
July 14 Plant direct 7 x 8 in.,
3 stems per plant
July 28 Pinch (high)
Aug. 18 Start shade
Nov. 3 Flower

The 10, 11, and 12 week varieties can be planted this week to flower without lights or shade cloth (normal season). They will flower from November 5 to December 1. Don't let this fall go by without Mums. This is a good week to plant your normal season Thanksgiving crop.

This week's "Ball Mum Special" is a self-mailer—just fill in the varieties and quantities, etc., refold so the GEO. J. BALL address is exposed, fasten with staple or scotch tape, and drop it in the mail. We pay the postage. Your check may be enclosed, too, by fastening around the edges with staples or tape. Mail today so you won't get caught short without Mums this fall.

GEO. J. BALL, INC.

Cuttings listed below are offered subject to prior sale at prices and other terms as outlined in the 1955 Ball Mum Guide. Minimum order 300 cuttings; minimum of any one variety, 50 cuttings.
